Neurofibromatosis Midwest

**Providing support, education
and hope for NF families.**

NF Midwest is a nonprofit organization that:

- ❖ Is dedicated to the support and education of people affected by neurofibromatosis (NF)
- ❖ Provides education of health care professionals
- ❖ Invests in research to find the cause and cure for neurofibromatosis

Through your contribution you will:

- ❖ Help find a cure and treatment for NF through scientific research and education.

Many important advances have been made in NF research of late. Specifically that NF is closely linked to many of the most common forms of cancer, brain tumors and learning disabilities. NF research has become one of the hottest areas of medical study because of these scientific breakthroughs which link NF to these diseases that affect a larger segment of the population.

Please help us keep the hope alive for the one and one half million people challenged by NF.
