

Join us for a free NF1 PN educational live event.

NF1 PN

Managing NF1 PN can be complex!

At Alexion, we know that support matters. Hear from a healthcare professional and Patient Education Manager to learn more about neurofibromatosis type 1 with plexiform neurofibromas (NF1 PN).

At this event you will:

- Be provided a realistic and humanized approach to an often-sensitive topic.
- Caregivers will be equipped with the information and resources needed to allow them to advocate for their child and their wellness throughout their NF1 journey.

For more information about Alexion Programs, reach out to an Alexion Patient Education Manager (PEM)

To find the PEM closest to you, use the PEM finder at [AlexionOneSource.com/pem-finder](https://www.alexion.com/alexiononesource.com/pem-finder).
