## NF1 PN

### Managing NF1 PN can be complex!

At Alexion, we know that support matters. Hear from a healthcare professional and Patient Education Manager to learn more about neurofibromatosis type 1 with plexiform neurofibromas (NF1 PN).

#### At this event you will:

- Be provided a realistic and humanized approach to an often-sensitive topic.
- Caregivers will be equipped with the information and resources needed to allow them to advocate for their child and their wellness throughout their NF1 journey.

### For more information about Alexion Programs, reach out to an Alexion Patient Education Manager (PEM)

To find the PEM closest to you, use the PEM finder at [AlexionOneSource.com/pem-finder](https://alexiononesource.com/pem-finder).
